Please find below the itinerary for your progressive dinner by rickshaw

Please arrive at The Garden promptly at your booking time and make yourself known to the friendly rickshaw drivers or staff inside, where you will be seated on a shared table.

Located in the heart of Leederville, The Garden is an iconic West Australian food and beverage destination – serving up your favourite craft beers, wine, cider, cocktail jugs and Australian spirits all available to purchase.

At The Garden you will be served an antipasto plate.

Spend approximately 45 minutes enjoying the ambient vibes before your rickshaw driver will escort you to the next venue.

A short jaunt up Oxford Street takes you to Kitsch Bar Asia for the main event.

Enjoy the finest Asian flavours under the biggest frangipani tree you have ever seen, taking you back to those balmy summer nights travelling through Asia.

After approximately an hour, your rickshaw driver will again collect you and escort you to the final venue for the evening.

It's a quick trip back down Oxford Street to Gusto Gelato where you can indulge in the sweet delights of handcrafted gelato.

Made using artisan techniques learned in the Northern Italian town of Bologna.

We hope you enjoy your evening.
